

At Sangean we are all about simple. Simple quality, simple to use functions, and simply great design.

With Phase Loop Lock Digital Tuning and Sangean's traditional radio sensitivity, built-in speaker and included earbuds, you will be able to enjoy your morning jog, your short trip to the beach or other outing without missing your favorite AM/FM or TV show if you have the DT-210 pocket radio. Uses 2 'AAA' batteries (not included). Includes. Earbuds, removable belt clip.
